

Being a Christian isn't just about going to Church on Sunday. In our ever increasing busy world/day it is wonderful to "spent time with God" through the ministry provided by K-Love. I listen in my car, to and from work, and have it on at my work station during the day. Please think "long and hard" before making your decision that will affect so many ...The life you "save" might be your own...Don't allow this important ministry be taken away.
